

Summary:

The Croatian Competition Agency (CCA) received a request made by the Legislation Office of the Government of the Republic of Croatia seeking the opinion of the CCA as a competent competition authority pursuant to the Act on Regulatory Impact Assessment (Official Gazette 44/17) as regards the Proposed Legislative Activities Annual Plan for 2018.

Having examined the Proposed Legislative Activities Annual Plan for 2018 the CCA issued its opinion in which it reminded the relevant authority of the necessary inclusion of the Draft Act on the Amendments to the Competition Act whose sponsor is the Ministry of the Economy, Entrepreneurship and Crafts into the proposed draft at issue.

In its opinion the CCA also indicated that it has been planned for the above cited piece of legislation to be submitted into adoption procedure in the second quarter of 2018. In its explanation the CCA stated that the Ministry of the Economy, Entrepreneurship and Crafts as the author of the provisions concerned has informed the CCA on 8 December 2017 that the proposed draft act together with the RIA form has been published on the consultations web site e-Savjetovanje quoted in the Proposed Legislative Activities Annual Plan for 2018.
