

Summary:

The Croatian Competition Agency (CCA) received a request from the Croatian Regulatory Authority for Network Industries (HAKOM) seeking its additional comments regarding the opinion of the CCA of 11 October 2018, Class: 034-08/18-01/076, Reg.no.: 580-07/26-18-004, regarding the conclusions under the proposed decision on the definition of a relevant market for call origination on the public telephone network provided at the fixed location subject to ex-ante regulation – the constituent part of which is the market analysis providing the assessment of the operators with significant market power.

Therefore, the CCA reviewed the proposed decision on the definition of relevant market for call origination on the public telephone network provided at the fixed location subject to ex-ante regulation – the constituent part of which is the market analysis concerned (Class: UP/I-344-01/18-03/01, Reg.no.: 376-11-18-1 of 27 September 2018).

Based on the decision of the Competition Council the CCA adopted the supplement opinion stating that it has no objections to the conclusions under the proposed decision relating to the assessment of significant market power of dominant network operators.
