Summary

The Croatian Competition Agency (CCA) received on 3 December 2014 a request made by the Ministry of Maritime Affairs, Transport and Infrastructure seeking the opinion of the CCA on the proposed Strategy for the development of postal services in the Republic of Croatia until 2020 and the Action Plan for the implementation of the Strategy for the development of postal services in the Republic of Croatia until 2020.

Having examined the provisions of the proposed Strategy for the development of postal services in the Republic of Croatia until 2020 and the Action Plan for the implementation of the Strategy for the development of postal services in the Republic of Croatia until 2020, the CCA declared it had no objections regarding the proposed documents.

At the same time the CCA indicated that its opinion was exclusively based on the provisions of the Competition Act falling under the competence of the CCA, whereas in the area of State aid and *de minimis* aid falling under the competence of the Ministry of Finance, the State Act (OG 47/2014) applies.
