Case: The Ministry of economy – Opinion on the Proposal for a Regulation on promotion of biofuels for transport

Type of case: State aid

Type of decision: Opinion

CCA has issued an opinion that the Proposed Regulation is consistent with the State aid rules provided incentives for producers of biofuels calculated on the basis of methodology for the calculation of the unit amount of cash incentives for biodiesel and bioethanol are not greater than the difference between the local reference of the production costs and the market price of the form energy, as required by section 3.1.6.2 of the Community guidelines on State aid for environmental protection (Official Journal of the European Union No. C 82, 1.4.2008.).
